

Thomas Willcox Company

Valves | Actuators | Filtration | Instrumentation | Steam Specialties

Steam & Air Traps
Steam & Air Separators
Pressure Reducing Valves
Condensate Pumps
Steam Trap Testing Equipment

Metal Rupture Disks
Graphite Rupture Disks
Burst Sensors
Explosion Vents
Burst & Extruder Plugs

Powering Business Worldwide

Automatic Self Cleaning Filtration
Mechanically Cleaned Filters
Bag & Cartridge Filtration
Fabricated Pipeline Strainers
Standard Pipeline Strainers
Gas & Liquid Separators

High Performance Ball Valves
Industrial Ball Valves
Gate, Globe & Swing Check Valves
Automation & Controls

Valves, Automation & Controls

High Performance Ball Valves
Sanitary & V-Port Ball Valves
Pressure up to 6,000 psi

CHAMPION VALVES INC
COMMITMENT VALUE INNOVATION

Twin Flapper Check Valves
Single Door Check Valves
Wafer, Lug & Flanged Connections
(Size 2" - 60")

Butterfly Valves
Control Valves
Liquid Level Indicators
Pressure Safety Valves
Regulators

Electro Pneumatic Positioners
Pneumatic Positioners
Limit Switches
Valve Monitoring Systems

Manual Quarter Turn & Multi-Turn
Gear Actuators

Heat Tracing Solutions
Hot Oil Tracing
Steam Tracing

Thermoplastic Ball, Butterfly &
Check Valves

Quarter Turn Electric Actuators

Quarter Turn
Pneumatic Vane Actuators

Pressure Safety Valves
Pilot Operated Valves

Pressure Gauges
Thermometers & Thermowells
